

The Healthcare Landscape – Part Three

This is the third installment in our three-part video series sharing highlights from the Business North Carolina 2017 Healthcare Round Table event that Scott Benefit Services hosted in April. In this video, [Sean Willoughby-Ray](#), Benefits Practice Lead/Vice President, discusses the strength of the healthcare landscape in North Carolina.

Did you miss the previous videos in this series? They are available here:

[Part One – The Pharmacy Problem: Dealing with the Dramatic Increase in Pharmacy Costs](#)

[Part Two – Paradigm Shift: Understand the Competitive Advantage of Health](#)

The full round table discussion is available courtesy of Business North Carolina Magazine.

Wherever your business is located, we have the knowledge, tools and resources to help you construct a competitive, compliant and cost-effective healthcare plan. [Contact a Scott Benefits Consultant](#) today to learn more about our capabilities.
