

Scott Insurance Named a Best Practices Agency for 2024

Scott Insurance has once again achieved recognition as a Best Practices Agency for 2024, solidifying its position among a distinguished cohort of independent agencies nationwide. The agency's consistent demonstration of operational excellence and industry leadership has positioned Scott Insurance as **the sole agency in the United States to receive the Best Practices designation annually since the program's inception in 1993.**

This annual distinction is conferred upon agency participants in the Best Practices Study, a collaborative venture of the Independent Agents & Brokers of America (IIABA) and Reagan Consulting, an Atlanta-based management consulting firm, which meticulously evaluates and documents the operational strategies of the most high-performing agencies within the insurance industry.

Of the over 2,600 independent agencies nominated for the 2024 selection process, only 235 met the stringent criteria for the Best Practices designation.
