

Safety Focus: January 2018

OSHA Recordkeeping

In this newsletter we share important information about OSHA reporting requirements– specifically the OSHA 300 Log.

Topics include:

- What is an OSHA 300 Log?
- What makes an injury or illness recordable on the OSHA 300 Log?
- How long are you required to maintain logs for inspection by OSHA?
- Updated OSHA rules for reporting fatalities and serious injuries
- Updated OSHA rules for electronic reporting
